Take the main A25 road into Reigate one way system, then turn left heading for the Cinema/Morrison's supermarket and A217 to Gatwick.

At the next traffic lights, turn left out of Reigate on Bell St passing Priory Park on your right. Follow the road up and over the hill at the next traffic lights at Woodhatch and turn left onto the A2044.

Follow this to the first roundabout and take the second/last exit towards Earlswood Lakes. Follow this road past the lakes for about a mile through a sharp right hand bend and then a left hand bend signposted "sharp bend". As you go up an incline you should see a cricket pitch/small car park on your right. Just beyond this is a sign informing you of the approaching junction with the A23. Just before this sign on the right is our turning, a private road marked Petridgewood Farm and Brookside Farm.

Turn into this narrow tree lined road and continue past the big house, (right) and the Farm (left) and follow the road round the bend. We are the first house on the left, please park on the drive

Any problems call either the land line 01737 765335 or Rob's mobile 07973734141.
