Registration Form and PARQ (health screening questionnaire)

All clients are required to read our Privacy Policy and Terms and Conditions and complete the registration form and health screening questionnaire (PARQ) included in this pack. If your health changes after completing our questionnaire you should let us know ASAP and speak to your teacher to make sure they are aware of your situation. Please call us to have a chat if there are any specific health issues of which we should be aware; **if you're unsure, please call for advice.**

Group Class Booking Guidance

To book your classes you will need to complete our booking form which can be downloaded from our website; www.body-torque.co.uk or may have been sent to you by email with this welcome pack. Our mat-work courses are between 6-8 weeks depending on school term dates so your commitment is limited to a short course. Please note there are classes at different venues/times so there should hopefully be something to suit everybody, but if you are struggling to choose then we are happy to discuss options and assist you in making a decision. Please note; you should aim to attend as regularly as possible to get the full benefits of the Pilates method.

Select your class dates from the list: On the booking form you'll see a full list of days and times that classes will be running over the next course period. Most of our venues are fairly local, have easy access, and parking either on site, or close by, so please consider all classes, not just those which are closest to you.

Select from any classes that are listed at your level (if you're unsure at what level you are please contact us). You don't have to attend the same class every week as, if you wish, you can mix class days and times, as long as they are an appropriate level for your ability. Having selected your preferred class(es); mark the form to confirm the day, time and dates you wish to attend; total the amount in the payment section at the top of the form, and complete the contact information etc. Payment can be made by bank transfer, cash or cheque. Transfers are probably your easiest option as, once set up on your online banking, future payments are simple.

Our Account details are:

Account Name: **Body-Torque Pilates**

Account No: **73778258**

Sort Code: **20-24-00**

Please use your name as reference when making a transfer.

Cancellations:

Please keep a note of the dates you select; should you need to cancel a class you have booked then please email us and we can cancel your booking, if you let us know another class you could attend instead of the cancelled session we can then book another class for you as a make-up class.

Please note, cancelled classes cannot be carried over to the following week at the same day/time, cancelled sessions need to be made up at a different session to your regular class(es).

Make up classes for cancellations, need to be booked within the same course period, i.e. make up sessions expire at the end of the course whether used or not. However, if a class is cancelled towards the end of a course (two weeks or less) then a two week extension will be offered to allow the make up class to be completed within the following course period. **Please note that the 24 hour cancellation policy will be strictly adhered to.**

Waitlist:

If a class you want to book is full, you can opt to go onto the wait-list. We will email you when a space becomes available, please then confirm that you still wish to attend. If we receive a cancellation close to the class start time, and more than one person is on the wait list, then all those on the wait-list will be notified and the first to confirm they wish to attend will be booked into the class.

Studio Sessions

We have a private studio at our home in Redhill Surrey, RH1 5JJ, which we use as an apparatus studio including Reformer, Cadillac, Chairs etc. for 1:1 and 2:1 sessions as well as our reformer classes. We teach our group mat-work sessions in halls in and around Reigate as well as Betchworth and Dorking. Please read attached Covid-19 procedure if attending classes face to face.

1:1 and 2:1 private sessions

These sessions are booked and paid for in advance and the same policies apply regarding cancellation and refund as for our group classes (please see below, terms and conditions and refund and cancellation policy). We also offer 2:1 sessions where you share a private appointment with a family member or friend. You secure a small discount on the standard price of our studio sessions by purchasing a block of 5 sessions or more.

Pre-course 1:1 sessions:

A pre-course 1:1 is a great introduction to Pilates; these sessions are a minimum of 1hr, but can stretch to 1.25 hrs, as we include a full postural assessment and cover relevant health history to assess you before recommending a personal course of action.

Small group reformer classes:

The reformer is a specialist piece of Pilates equipment designed by Joseph Pilates; the reformer has its own repertoire, although some are similar to mat-work exercises, like the hundred. These are shared sessions with a maximum of three participants. These sessions run as a short course. Please call for details or check the course booking form for dates and times.

Prices:

1:1 individual session	£70
2:1 shared session	£80 (shared between two)
1:1 block (min 5 sessions)	£65 per session
2:1 block (min 5 sessions)	£75 per session (shared between two)
Pre-course 1:1	£70
Group reformer sessions	£27 each (booked as a course)
Group Mat-work	£14 each (booked as a course)

All prices are subject to change without notice.
